Kel's Point of View

Thanksgiving

It is the time of year that we thank about family and friends. We begin to look forward to a new year with anticipation of new and wonderful opportunities while preparing for a holiday season, buying presents, wrapping packages and going to parties and places of worship.

We at GhostNet are, as you, in the process of doing all these things; but we pause for a moment to say, "Thank you." We realize that without you it wouldn't be nearly so jolly a time. You, our friends, our families, our employees, our suppliers, our customers and clients and those of you who say good things to others about us and our business make our lives a bit fuller, a bit richer. We realize that we are blessed to know and to serve you.

So with this in mind, we wish you a Merry Christmas, a Happy Hanukkah, Happy Kwanzaa and a very healthy and prosperous Happy New Year!

God Bless You All and God Bless America in 2004.
